I was glad we were there and met Shawn. You have a gold mine with him. He is efficient, knowledgeable, and pleasant as well as a company-oriented person. He came in, set up, checked and cleaned the chimney, and gave us detailed information on what needed to be done to safely put the fireplace to work. He took the time to answer our questions and tell us what needed to be done. It is a pleasure doing business with "The Chimney Sweep."

We were favorably impressed with Shawn. He is personable, courteous and was willing to answer all our questions. He obviously is very knowledgeable. Despite the nature of the work he had to do for us he was tidy about the work as well as himself. What a refreshing surprise to find a service person so unlike what has become the norm. Thank you so much for great service and the excellent representative of your company. G. Szugda, J&D O'Kelly; Sylva.

I just wanted to thank you and your company for handling the cleaning of our chimney in our cabin at Bald Rock. Your letter was very helpful in understanding the issues relative to the proper maintenance of our fireplace. As we have had limited experience with fireplaces which have extensive usage, we were unaware of the hazards of improperly maintaining a chimney and fireplace. My wife and I were very impressed by the level of communication and by the quality of the work performed last week. It is so refreshing to deal with folks who actually demonstrate personal care & concern for their client. Thank you for taking care of our needs in such a professional manner. Capers & Joe Johnston, Sapphire.

Please be sure to tell your husband how brilliant he is. He solved the chimney problem we've had for years! Leslie Haynes and Clark Peters, Glenville.

Your guys did a super-duper job on relining our chimney, and I appreciate that. They were professional and self-motivated; you can use me as a reference any time. – John A. Frady, Cullowhee

The Chimney Sweep/Greg Hall has maintained my chimney in three different homes, spanning more than 15 years. In addition to cleaning, I have had 2

stainless steel chimney liners and one stainless steel vent for a gas boiler installed by Greg.

All the work has been performed on time, to high degree of professional craftsmanship and competitively priced. I recommend Greg without any reservation. If you have any questions, ask Sue or Greg to have me contact you.

- Tom White, Sylva.

P.S. Your office is great. I love how you do business. The lady who answers the phone is the best I have ever encountered and no one is better than Shawn! Thank you, Yesho Atil (Asheville)

Thank you for a good job. Bob Wilson, Marshall.

We have used the services of the Chimney Sweep for 30 years and known Greg for as long. Since being at our second house, he created a beautiful copper chimney cap and the three flues have been cleaned several times by Shawn. The firm's work is commendable. . .the wood stoves are handled with care; appointments are promptly met; Greg and Shawn are warm, friendly, and efficient; and they leave the house without a trace of having been here. Our using the Chimney Sweep for three decades speaks highly of the work quality and we recommend them without reservation.
- Terry and Linda Kinnear, Cullowhee.

Shawn just left and did a great job as usual. He even brought some sunshine with him. Please schedule me for late December or early January (I rarely do testimonials but ya'll have been great over the years and I even got my gutter guards from you). Thanks for the service!
